Secy. Paul W. Nelson W9BHC	Treas. Wm. F. Leuth Jr. W9DSC

Dir. Ralph Anderson W9GVW	

This board is 100% licensed hams and 5 of the 7 are active with promises from the remaining 2 to be on the air early in 41.

Friday Dec. 27, Mr. Trusler presented Pres. Davis with a gold gavel from members of the club in recognition of his services during the year 1940. Shouldn't we give each retiring president a token such as this?

COMMITTEES

LeRoy Kerst on the contest committee reports that some mention of the club will be made on the contests sponsored by VanSickle Radio in 1941.

Annis, Trusler and Montgomery are arranging an initiation for members taken into the club for the past four months. See program for date. This will be held at a closed meeting.

Our many thanks to Charles Campbell for the fine mimeographing of the past and this issue of Amachewer.

ACTIVITIES

A Christmas party given on short notice (Tues. preceding over the air) at the club on Dec. 20 was well attended by OM's, XYL's, their harmonics and YL's of members. The club had been decorated by the Thurs. nite gang and a Christmas Tree with all the trimmings completed the scene. Christmas music was played on a P. A. system. A 25¢ gift exchange enlivened the party. (LeRoy, what have you done with your gift?) Pop corn and candy was freely partaken of. From the attendance and interest at this meeting it seems that arrangements should be made to hold parties for mixed groups at frequent intervals so that we can get to know each other better.

Harry Butler, W90VF, was at the club during his Christmas leave. Glad to see you again Harry. Pat West, W9ZVF, was back in town and up to the club. He is to leave for active duty some time in Jan. Good luck.

LeRoy Kerst is to arrange for cards in Radio store windows for the Code School starting Jan. 8, 1941. (NOTE: 24 hours after the above was written the cards were up. Thanks LeRoy)

ON THE AIR

W9NYO Charles Ankenbrock is on the air on 80.

NEW CLUB MEMBERS

May we take this opportunity to welcome the following new club members: Mr. Donald Haupt and Mr. George R. Corey.

Let's all bring in a new member. Remember the club needs all it can get to continue it's activities.

RAMBLINGS

Claude Richie tells of the possibility of getting a country meeting place for weekends and field days for the club. Our friend LeRoy Waggoner has paid his election bet in full now. At first it was paid in half but upon demand the whole thing was shaved off. At the request of Fred Manning the club was given tubes for the club transmitter. This should correct the rig. Ted Greiner donated a key for the Sunnyside ham. Who is this that that new call man Bert Busey W9NVD is so wrought up about. Reports come that at least a weekly letter is written into Ohio so a certain someone that was in attendance at the ARRL C D convention. Wo or what is it? Tiny Anderson is getting himself into line with Rudy to get the big Chisel. Don't tell Taylor how he does it to those tubes. Some of the gang are planning for a trip to the Link Obs. some Sunday. How about a Shuffle board for the club? Members to talk at Code School sessions include: Caskey, Lonnie Webb, Ken Clark, McGee, McDonald, Dickmyer, Trusler, Pete Jennings, Manning and Davis. Anniversary parties for get togethers.

SPECIAL MEETING

On Saturday, Jan. 11, 1941, at the blub rooms starting at 8:00pm, all are invited to attend a meeting in charge of the new Central Division ARRL Director, Dosland. Come to this meeting and bring your yf or yl. This will be your chance to learn about League doings and giving your ideas first hand to your elected representative. Let's all be there. He will be accompanied by Mr. Phelps.

Are your dues paid up? Remember you are not a member in good standing unless you are paid up to and including the current month. Pay them up and bring in a new member.
